The [Highland Garden Club](#) is a group of volunteers that design, plant and maintain plantings in various locations throughout the Township. The Township allocates funds for the materials and the committee also raises money to fund their efforts. The largest fundraiser is the annual plant sale. See the information below for the details about this year's sale. We are always looking for new members! If you are interested in becoming a member, please attend one of our meetings or send us an email at [hbc\\_mi@yahoo.com](mailto:hbc_mi@yahoo.com) with your contact information.
