

We had 886 vehicles come through with their Hazardous Waste!

Next Hazardous Waste Day October 2018!

The lines were long and wait times could be up to 1 ½ hours. The Township budgets for this event once every 18 months. The cost is a flat \$47 per car no matter how much or how little is being dropped off. With additional charges for items such as mercury, electronics (first 3000lbs is free, \$.50 for every pound over)

The next Hazardous Waste Day will in October 2018.

Highland Township strongly suggests carpooling with your neighbors and friends to reduce your time in line and of course control costs.
